- Pressure Washers • Mop Water • Carpet Cleaners • Cleaning Dumpsters & Trash Cans • Restrooms • Floors • Kennels
- Smelly Drains • Sludges • Liquids • RV/Marine Toilets
- Spray Atomization Systems For Treating Air • Garden Sprayers For Treating Refuse

SAFETY FIRST

You have an odor problem, but you don't need to create an even larger problem trying to solve it. Many odor control products can pose hazards. The Taps™ products described in this section take health and safety seriously.

Non-Toxic - Use only raw materials listed as safe by TSCA and EEC; follow OSHA requirements.

Non-Explosive - Contain only non-reactive materials.

Non-Flammable - Have flash points above 200° F.

Non-Corrosive - Are near-neutral pH.

Environmentally Sound - Biodegrade fully with no damaging by-products.
